### **WDAA Horse Lifetime Performance & Award Program**

WDAA supports a Lifetime Performance & Award Program. This is a point-tracking system awarding cumulative milestone achievements to horses competing in Western Dressage. Enrolled horses earn points by competing in tests and rail classes at WDAA recognized shows. Class placings and percentages are converted to a point system, which follows the horse as they travel up the levels on their journey.

The program was designed to be approachable and realistic for every horse and rider, regardless of their stage of training. The Lifetime Performance & Award Program follows the WDAA mission statement, values the partnership between horse and rider, and encourages a systematic education developing both the physical and mental abilities of the horse. The program does not require extensive travel nor significant financial investment; instead rewarding training, participation and performance. Points follow the horse and transfer to new owners.
