

CPDS Summer Schooling Show Series Team Challenge

Rules

Form a team of 3-6 riders. Submit your team member names and an overall team name to the show office prior to the first show in which your team participates.

Recorded scores – The top score from each rider is recorded to form a team average for the show. Scores may be earned in any dressage or western dressage test. Equitation, in hand, and freestyle scores are excluded. If 4 or more riders participate for your team, the lowest score(s) will be dropped. (You need 3 scores / team / show.)

Your team must ride in 2 of the 3 winter series shows to be eligible for an award. If your team participates in all three shows, your lowest show average will be dropped.

Prizes

Don't expect a new saddle or car. First and second place team members will receive a small prize and a championship rosette.

Shows

All shows are schooling shows offering dressage and western dressage.

- May 20
- June 11
- July 8
